Superintendent's Report

To the School Board and Citizens of Brookfield:

I have the honor to submit my seventh annual report as superintendent of the schools of Brookfield.

Your attention is called to the following table of statistics of the schools for the year ending June 30, 1925.

STATISTICS FOR THE YEAR ENDING JUNE 30, 1925

School	Teacher	Total Number enrolled	Average membership	Average daily attendance	Per cent of attendance	Number of absences
Churchill	Eva C. Willey	22	16.26	15.66	96.30	1
Stoneham	Ruby F. Farnham	9	6.10	5.85	95.90	1
Totals and Averages		31	22.36	21.51	96.20	2

This table shows a large gain both in per cent of attendance and in punctuality. Attendance has been raised 5.54 per cent above last year's record and stands about two per cent above the average for the whole state. Only two instances of tardiness is a record of which any town must be proud.

The following pupils have been neither absent nor tardy for one or more terms and are entitled to have their names placed upon the roll of honor.

ROLL OF HONOR FOR PERFECT ATTENDANCE

One term

Callie Balsor, Mary Cass, Madeline Drew, Wilfred Burroughs.

Two terms

Doris Clark, Edith Clark, James Clark, Joseph Cook, Christina Drew, Florence Drew.

Full Year

Inez Cotton, Hazel Cotton, Nellie Clark, Marion Drew.

Four pupils completed the work of the eighth grade in June, namely: Agnes Davis, Joseph Lang, Madeline Drew, and Joseph Cook.

Three of this number are now in Brewster Academy

At the close of the year in June, Miss Farnham declined a re-appointment. Miss Evelyn R. Nutter has succeeded her in the Stoneham school.

In the way of major repairs, both the Churchill and Stoneham buildings have been re-painted on the outside since our last report. It would be well for the District to consider whether it may be possible to lay a better floor in at least one of these houses this year.

Mrs. Anna E. Clow has been in charge of health work in the schools as for several years past. Her report, which follows, will be of interest to all.

Again I wish to thank all citizens who have assisted us in improving the schools and in making the work of the teachers and pupils more pleasant.

Respectfully submitted,
FRED W. DUDLEY
Superintendent of Schools
